# What makes your family unique and special?

Share something about your family's culture; Something you celebrate together, something you do together, that brings you joy, something that represents you and your family.

Use the included scrapbook paper square as a background to create a one-of-a-kind quilt piece displaying what makes your family unique and special. You can add drawings, words, photos, magazine pictures, and/or pictures using any type of arts and crafts material-be creative!

**Bring your square on Wednesday, November 17th!**
