

Field Day

Field Day is Tuesday, June 1st

We are looking forward to a fun and exciting day as students participate in cooperative games and activities. Here are some reminders for your student(s) for the day of the event.

- Students are encouraged to bring their own water bottle with name on it.
- Students need to wear proper clothing and TENNIS SHOES so they can move safely.
- Please put sunscreen on your student before school.
- Any student that has a medical excuse or note from home should have it sent to the office that morning or prior.

Students should bring a packed lunch on Field Day if they did not reserve a hot dog lunch with their homeroom teacher.
