

March 2022

Dear Parent/Guardian:

Welcome to the middle school years! We would like to invite both you and your incoming middle school student to their new middle school for the upcoming 2022-2023 school year for an open house event on **Wednesday, April 27, 2022**.

***Get to Know Memorial Night***  
***Memorial Middle School***  
***8979 Mentor Avenue***  
***6:00 - 7:30 PM***

***Get to Know Shore Night***  
***Shore Middle School***  
***5670 Hopkins Road***  
***6:00 - 7:30 PM***

The event is intended for all grade 5 into 6 students entering middle school to assist in their transition to Memorial or Shore next school year. The evening is structured to be self-guided, and students will receive an agenda at the main entrance upon arrival. It is a great way for students to get oriented with their new building and assimilate into their new school environment. The evening will last approximately an hour and a half, and students and parents/guardians can feel free to come and go as they please.

If you have any questions about the open house event, please feel free to contact the appropriate administrator/school counselor below. We look forward to seeing you and your student soon!

Sincerely,

*Ericka Blackburn*
