

"Walkin' Our Paws To Be our BEST"

Wednesday, October 5, 2022

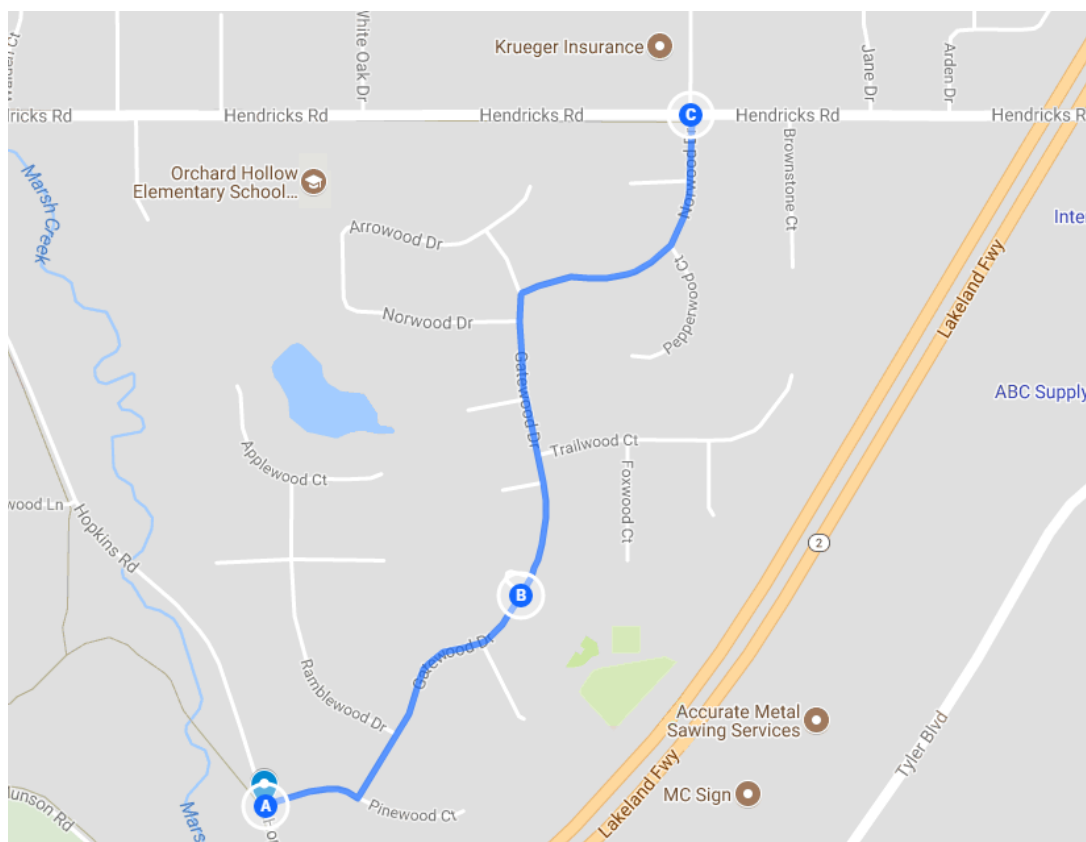

In conjunction with International Walk to School Month, Orchard Hollow students are invited to walk to School as our kickoff to this year's "Be our BEST" program.

Participants should meet at the Pinegate Community Center parking lot no earlier than 8:20 am. "Step off" will be at 8:30. Although staff members will be present, we encourage parents to join us as well.

****Students are invited to create signs and posters to carry with us; showing the community what we stand for. Posters will be displayed at school.****

We will walk as a group to school as a statement about doing our best together. Students who are unable to join us on the walk will utilize their normal transportation and meet us at school.
