

HALLOWEEN

PARADE AND PARTIES FRIDAY, OCTOBER 31ST

Halloween is upon us and we will celebrate with our traditional parade, followed by classroom parties.

Our parade steps off at 12:30 PM and, weather permitting, we will weave our way outside for parents to view the many and varied costumes from the sidewalk and around the blacktop.

If it is raining, unfortunately, we must keep the festivities inside and are unable to accommodate those just coming to see the parade.

COSTUME REMINDERS:

- No costumes with weapons of any sort will be permitted.
- No costume face masks are to be worn.
- Students should bring their costumes with them to school, but should not be wearing them in the morning, as they become a distraction during class time.
- Costumes should allow students to move about freely.
- Costumes should be as simple as possible as there is no time to apply make-up or elaborate accessories.
