**PRE-  
REGISTER  
HERE**

Orchard Hollow PTA expects that all students behave in a manner that is appropriate for the school environment. Adult guests are responsible for their student's behavior and should always be supervising their child(ren). We ask that all students refrain from running as we want to avoid any possible accidents, and we ask that students keep their hands to themselves and respect one another's personal items. As always, we strive to be our B.E.S.T. at Orchard Hollow, and we look forward to all students having an amazing time while being safe and courteous. Thank you!

# JOIN US
